

## BAY OF PLENTY SUPPLEMENT NOVEMBER 2009

CFFD Bay of Plenty has been having meetings every 6 to 8 weeks. The most recent meeting was on the Saturday after camp when we had Leslie and Ami, two lovely young ladies from the Philippines (who work at Hebron ) attend our meeting held in the home of Ken Miller, Their talk/testimony was very moving and well received. We had some folk from Paeroa and Ngatea attend and had a total of 26 people. A fellowship lunch followed by the talk and then a question and answer time with prizes being rewarded for correct answers.

While in Tauranga the two young ladies were entertained by visiting Margie Willers in Te Puke. A full day in Rotorua visiting many of the famous spots as well as going to the Agrodome to see the sheep/dogs /animals as well as a Farm tour, finishing up with a night of Maori entertainment and a hangi.

We went to a home group one night and a Mainly Music children's morning. On Sunday went to Whakatane and visited the Joy group at the Baptist Church. Our next meeting is to be held on 28th Nov which will be our Christmas function. It is hoped that Dianne , Nimfos and Melany from Hebron may be attending. Any one outside Tauranga is welcome to get in touch and come to any of our meetings.
