

As we go to print, we have just heard the tragic news that Jenny Congdon has died after being desperately ill with pneumonia. Jenny and Brian were foundation members of Chch CFFD in 1982, and are life members. Jenny is chair of Chch CFFD committee. Our prayers are very much with Brian and Peter and family.

We had a fantastic camp at Labour Weekend at Blue Skies, Kaiapoi. 32 turned up for all or part of the time. The theme was 'Moving On With God'. Phil King reminded us that being a Christian was a relationship not a rule book, a journey not a destination. He urged us all to be heroes of the faith, beating down prejudice and inequality. Graeme Reid told us that we are like an engine where Jesus is the stoker and the Word of God is the fuel. We need to be constantly in the Word – but also to get out there and bear fruit by telling others about Jesus.

Concert was brilliant with lots of people contributing items but the highlight was Johnny Magic talking about Jesus and pulling tricks that fooled everyone.

Next year we may have a camp but it won't be at Labour Weekend as we want as many as possible to save their dollars and cents and go to Matamata!
